VEILIGHEIDS- INFORMATIE

-
- A 10x10 grid of squares representing a sparse matrix. The squares are arranged in a pattern that is roughly symmetric about the main diagonal, with some squares appearing in pairs or small clusters. The distribution is sparse, with many empty cells.

- [illegible]

-
- A 4x10 grid of squares. A blue line connects the top-right corner of the square at (row 1, column 8) to the top-right corner of the square at (row 4, column 10). The line is a straight diagonal segment.
